

Document ID: FO-100

Title: Factory Overview

Factory: FACTORY-DEMO-01

Station: All stations

Classification: PUBLIC

Revision: 1.1

Effective Date: 2026-01-17

Owner: Demo Operations Engineering

Status: Approved

Synthetic demonstration document

Purpose

FACTORY-DEMO-01 is a synthetic automated assembly and inspection line.

High-level process flow

S01 Material Intake -> S02 Positioning -> S03 Robot Assembly -> S04 Quality Inspection -> S05 Packaging

Capabilities

Traceable assembly, high-level quality decisions, and controlled material flow.
